Minimise your environmental impact

Working with you for a better environment

Brother consider the environmental impact at every stage of your ink or toner cartridge life cycle, reducing waste at landfill.

All our hardware, ink cartridges and toner cartridges are built to have as little impact on the environment as possible.

* Approx declared yield value in accordance with ISO/IEC 19798

Ensure you buy genuine supplies

The Brother security label features on toner cartridges, ink cartridges and drum units. To identify a genuine supply visit www.brother.com/id or scan the data matrix code with your mobile device. To scan the code you will need to download a data matrix reader.

Ensure the packaging has not been tampered with. Check the security label is not damaged or torn.
